THIS IS WAR

This Week - 10/28/2009

We have been feverishly rehearsing here in LA to prepare for the live shows coming up in just a few weeks. While the European shows have sold out, the US dates still have tickets available. Make sure you check the tour dates below to catch any of the performances near you.

The [MySpace](#) page has needed a facelift for quite some time and we are happy to announce we have launched a new layout. More content and information will be added to the site in coming days and weeks, so stay tuned.

Also, it has been long overdue, but we would like to congratulate the **BRAZILIAN ECHELON** for this photo and

being the winners of the Global Glyphics Assault Contest.

The runners up were from the **BOLIVIAN ECHELON** with this picture.

Thanks to the Echelon worldwide who sent in all the amazing pictures from countries all over the globe.

Don't forget this information listed in the previous Transmissions. Feel free to spread this info far and wide.
